Week I: Agile Innovation: Product Design meets Engineering - Tentative Weekly Schedule

Time	Sunday 1st September	Monday 2nd Sept.	Tuesday 3rd Sept.	Wednesday 4th Sept.	Thursday 5th Sept.	Friday 6th September	Saturday 7th Sept.
8:00 - 8:30							
8:30 - 9:00							
9:00 - 9:30			Strategies in Product Planning and Require-ments Engineering	Functional Analysis	CAD and Modelling Methods	Introduction to 3D Printing	
9:30 - 10:00							
10:00 - 10:30		Welcome Orientation					
10:30 - 11:00			Product Disassembly and Structural Analysis	Product Architecture		Project: Goal Definition and Concept Develop-ment	
11:00 - 11:30							
11:30 - 12:00							
12:00 - 12:30							
12:30 - 13:00	Arrival of Participants		Lunch Break at "Mensa Vita"				
13:00 - 13:30							
13:30 - 14:00							
14:00 - 14:30			Requirements Analysis	Synthesis of Solution Principles	CAD and Modelling Methods	Inspection and Assem-bly of 3D-Printed Parts; 1st Review of Engine-ering Design	Free Time for Excursions, Sight-Seeing and Self-Study
14:30 - 15:00		Get to know Aachen: Summer School "City Rally"					
15:00 - 15:30							
15:30 - 16:00							
16:00 - 16:30			Function Based Design	Generation of Solution Principles		Agile Methods in En-gineering Design	
16:30 - 17:00							
17:00 - 17:30							
17:30 - 18:00							
18:00 - 18:30
